Owing to the unusual conditions existing in the clothing industry today, we are doing something that we thought we never would do—sell our 2 Pants Suits at NO PROFIT. We are not even getting our overhead cost of business out of this sale. That item of cost is a direct loss to us. But we intend to dispose of every 2 Pants Suit in our store and purchase them POSSIBLY later at less money. A good many manufacturers tell us that clothes will be higher in the Fall. They say we're crazy to hold a No Profit Sale, but you should worry as long as you're getting 2 Pants Suits for 33 1-3% to 45% reductions. **You're the gainer!** But act quickly! Don't put it off. Come at once. The suits are of sufficient heavy weight to be worn into the Fall; in fact, a good many of our 2 Pants Suits in this sale were bought for Fall selling.
